

[LMCE 2023] Announcement of LMCE 2023 & KSLM 64th Annual Meeting

LMCE 2023 (Laboratory Medicine Congress & Exhibition) & KSLM 64th Annual Meeting will be held in Suwon, Korea from October 18 to 20, 2023.

Since our first congress in 2016, LMCE has seen remarkable growth. For the upcoming LMCE 2023, we are preparing for a highly dynamic and stimulating array of scientific programs under the theme '*Digital Transformation of Laboratory Medicine: Quality Management in Big Data Era*'.

Since the abstract submission is ongoing, the Committee cordially invites you to submit abstracts for oral and poster presentations.

LMCE 2023 will be a highly rewarding international festival and we look forward to seeing you!
